

Title: Second Circular: ISMSC2025 Kyoto

**Second Circular: ISMSC2025 –The 19th International Symposium on Macrocyclic and Supramolecular Chemistry
May 25-30, 2025 | ROHM Theatre Kyoto and Miyako Messe, Kyoto, Japan**

Dear Colleagues,

On behalf of the Organizing Committee, we are pleased to share the second circular for the ISMSC2025, which will be held in Kyoto, Japan, from May 25-30, 2025. We are excited to bring together leading researchers, scientists, and industry professionals to explore cutting-edge topics of macrocyclic and supramolecular chemistry. This will also be a great opportunity to meet friends again and make new friends within the historic surroundings of Kyoto.

As the conference approaches, we would like to remind you of several important updates and deadlines to ensure a smooth and successful event:

1. Early-Bird Registration Deadline: February 28, 2025

We encourage all participants to complete their registration by the early-bird deadline of February 28, 2025. This will help us finalize the conference program and ensure an early launch. Additionally, registering early offers significant savings on the registration fee, so we highly recommend taking advantage of this opportunity.

2. Abstract Submission Deadline: February 28, 2025

Abstracts for presentations must be submitted by February 28, 2025.

3. Hotel Reservations

Regarding accommodation in Kyoto, late May is a lovely time of year in Kyoto, and please note that there will be two other international symposia in Kyoto during the same period. Therefore, we strongly recommend that you book your hotel as early as possible.

A list of recommended hotels is available on the official conference website (<https://www.ismsc2025.com/>).

4. Special Issues in Supramolecular Chemistry

We are pleased to announce a special issue associated with ISMSC 2025 in Supramolecular Chemistry (guest edited by: Tomoki Ogoshi, Shigehisa Akine, Shiki Yagai and Michito Yoshizawa). We encourage all participants to submit your work to the special issue. Detailed information about the call for submissions, including submission guideline, can be found on the journal website: https://think.taylorandfrancis.com/special_issues/the-19th-international-symposium-on-macrocyclic-and-supramolecular-chemistry-ismsc-2025/

5. Awards for Young Scholars

Outstanding poster presentations by young researchers will be awarded.

Category:

Awards for Students

Awards for Postdocs

We strongly encourage young scholars, including PhD students and postdoctoral researchers, to actively participate in the conference and showcase their work. This is a fantastic opportunity to gain recognition and network with leading experts in the field.

6. Confirmed Invited Speakers

The conference website has been updated with the full list of confirmed plenary, award, keynote, and invited speakers. We are honored to welcome these distinguished researchers and look forward to their insightful presentations.

7. Getting Together and Banquet

Getting Together: Evening, 25th May

Banquet: Evening, 29th May

Kyoto, with over 1200 years of history as an ancient capital in Japan, has a total of 17 UNESCO world heritage sites. The venues, ROHM Theatre Kyoto and MIYAKO Messe, are conveniently located in the heart of Kyoto, allowing attendees to explore numerous tourist spots including shrines and temples. At the end of May, Kyoto is especially beautiful, with trees and plants sprouting fresh green leaves.

We look forward to welcoming and meeting you in Kyoto! For the latest updates on the program, registration, and travel information, please visit the conference website: <https://www.ismsc2025.com/>
